We are now accepting applications for the 2021 SIUE Construction Leadership Institute at SIUE.

The 2021 program will be held in face-to-face format. If we experience COVID-19 restrictions at any time, we will delay the program until we can meet in person.

The CLI is an accelerated program designed to cultivate leadership, management, and communication skills that would take many years to develop. The CLI is unique in that it is a program developed by leaders in the building community to prepare the next generation of leaders.

All sectors of the building industry participate in this program. A typical session of the CLI will include participants representing general contractors, sub-contractors, specialty contractors, suppliers, owners, architects, the design community, engineers, and professional service providers. Many of the 400+ graduates of the program now occupy senior management and other various positions in their respective companies.

Please invite any highly valued employees in your organization to enroll in the 2021 Construction Leadership Institute. You will find an overview of program details and an application in the information attached. Payment can be made with a credit card on our website or by mailing in a check made payable to SIUE Construction Leadership Institute. Applications and recommendation letters can be emailed to dlotter@siue.edu or kjarden@siue.edu.

If you would like to discuss the program, Chris Gordon or Kristine Jarden will be happy to provide you with any additional information you need. Please send an email or give one of them a call at the numbers/email below. We encourage you to share this email with colleagues who might be interested in this exceptional program.

**FEE:**

$2,950 – before 10/15/2020  
$3,150 – after 10/15/2020
