GovCon 2020

Get Ready to Work with the Government!

This is an intensive online cohort to help you and your business in getting ready to work with federal, state, and local government. The series will provide the necessary tools for you to be registered and certified to work on government contracts.

Eligibility Requirements Include:

- Membership in the Illinois SBDC/PTAC Network (no cost)
- Two or more years in business
- Verifiable business income
- 8 weekly sessions of online learning

Learn Procurement Processes:

- How to do business with the Federal Government
- How to do business with State Government
- Understanding and obtaining diverse certifications
- Marketing to the Government
- Building a Capability Statement
- Proposal Types and Writing Tips
- Technical Assistance
- Ceremony of Completion
- No Cost Training and Assistance

To Participate:

- Complete application at https://forms.gle/KNG9zsiccFa9TCR7
- Attend online sessions from 9:00 a.m. to Noon
- New to government contracting
- Certificate of Completion requires attending all sessions

“The Leadership Council Southwestern Illinois is is honored to partner with the Illinois Procurement Technical Assistance Center (PTAC) program in the upcoming GOVCON Cohort educational 8 week session. This effort will help minority, women, veteran-owned businesses and others on their journey to become qualified state and federal contractors...The GOVCON Cohort will provide much needed guidance and educational advantages to the participants in being well informed about the contracting activities, engaged in the state and federal contracting process, and empowered to win the contract work and successfully complete the project!”

Dr. Ronda Sauget, Executive Director and CEO of the Leadership Council Southwestern Illinois.

The Illinois Procurement Technical Assistance Center (PTAC) is a unit of the Illinois Institute for Rural Affairs at Western Illinois University. The Illinois PTAC is funded in part through a Cooperative Agreement with the Illinois Department of Commerce and Economic Opportunity, the U.S. Small Business Administration, and Western Illinois University.
